

SEMINAR ON PHARMACEUTICAL WATERS June, 28 and 30

Dear friends,

We get in touch with you to inform you about the Seminar on Pharmaceutical Waters that will be held in Barcelona and Madrid.

In addition to addressing issues such as best practices and trends, in this conference we will discuss about **the new legislation about Water for Injection** announced by the European Pharmacopeia Authority (EDQM) in March this year and operational from April 2017 (with the EP 9.1 edition) **that allows the generation of alternative processes WFI by distillation.**

Here we remind you the agenda of the conference:

28/06 Barcelona – 30/06 Madrid	
09:00 – 09:15	Welcome and delivery of documentation
09:15 – 10:15	Latest Regulatory Requirements and Good Engineering Practices (G.E.P.) – by Paolo Curtò
