

STILMAS and DOC Validation Seminar Sees Record Attendance in Spain.

28 & 30 June 2016

Each year STILMAS, in collaboration with its sister company DOC, organizes various validation training sessions for its customers. The recent seminar in Spain had a record attendance of over 60 customers representing 26 pharmaceutical and bio-tech companies. The seminars in Barcelona and then Madrid were focused on Pharmaceutical Water & Steam Systems, in particular, Regulatory, GEPs, Validation and Operational Aspects as per International GMP.

For major details about next seminars and early-bird registration visit Stilmas website.
